CHENNAI: Artha Money, a multi-product and multi-brand financial services company, has added property services to its portfolio. Addressing presspersons here on Thursday, **Suresh Rangarajan**, MD and CEO, said Artha Money's property services would help customers search for a property of their choice, negotiate best possible deals, complete all the required documentation and get a home loan approval under one roof. The customers could also use Artha Money to find buyers for their properties, **Mr. Rangarajan** said.
